FIRE ALARM SYSTEM PLAN REVIEW APPLICATION

Commercial System **Residential System**

- ***Do not submit any plans to this office unless this application is completely filled out!***
- Plans will not be reviewed unless the drawings are marked with any existing fire alarm equipment and devices, as well as all proposed fire alarm system additions, alterations or modifications.
- Four (4) sets of complete plans, drawings & specifications must be submitted for a plan review to take place and prior to any plan review approval.
