# 1,000 Books Before Kindergarten

## Program Overview

### How It Works:

- Stop in at any South Kingstown Public Library branch to sign up and get a tracking sheet.
- Every time you or someone else reads a book to your child, color a spot on the sheet.
- When you complete the sheet, turn it in at the library.

Remember, if you read the same book over and over again, it counts each time! Also, stories read to your child at school, storytime...or anywhere all count!

### Reading Milestones

Every 50 books you read, you get a sticker!

At 250, 500, 750 books, get a small surprise!

At 1,000 books, get a certificate and a free book!

### Early Literacy Activity

Books about counting do many things to help children. They not only help with counting and numbers, they also help with early literacy.

The sequence of counting books and rhymes helps children learn sequences skills that develop narrative skills.

The library has plenty of books about counting, but we bet there are lots of things that you can count and put in order just around your house.
