1,000 Books Before Kindergarten

Program Overview

How It Works:

- Stop in at any South Kingstown Public Library branch to sign up and get a tracking sheet.
- Every time you or someone else reads a book to your child, color a spot on the sheet.
- When you complete the sheet, turn it in at the library.

Remember, if you read the same book over and over again, it counts each time! Also, stories read to your child at school, storytime...or anywhere all count!

Reading Milestones

Every 50 books you read, you get a sticker!

At 250, 500, 750 books, get a small surprise!

At 1,000 books, get a certificate and a free book!

Early Literacy Activity

Children learn best by playing!

- Puppets can be a great way to encourage play and storytelling! Children can play with puppets and use them to tell stories. Again, this develops language and vocabulary. Children also learn about story structure - that stories have beginnings, middles, and ends. Adults playing with a child can help by elaborating on what a child says and using a variety of words.
