# 1,000 Books Before Kindergarten

## Program Overview

### How It Works:

- Stop in at any South Kingstown Public Library branch to sign up and get a tracking sheet.
- Every time you or someone else reads a book to your child, color a spot on the sheet.
- When you complete the sheet, turn it in at the library.

Remember, if you read the same book over and over again, it counts each time! Also, stories read to your child at school, storytime...or anywhere all count!

### Reading Milestones

Every 50 books you read, you get a sticker!

At 250, 500, 750 books, get a small surprise!

At 1,000 books, get a certificate and a free book!

### Early Literacy Activity

Kids learn best by playing!

Look for ways to play with letter—keep foam letters in the bathtub or magnetic letters on the fridge. Draw letters with sidewalk chalk or make them out of play dough. If your child already recognizes letters, play a game...you name something that starts with A, they name something that starts with B, and so on through the alphabet.
