Blackstone Valley Tour

We are staying in Rhode Island to discover some of its hidden treasures. We will begin at the Slater Mill Visitor’s Center where we will view the film “Hidden in the Blackstone Valley”. Following the film there will be a guided tour of the Historic Slater Mill; America’s first successful cotton-spinning factory in America. Our next stop will be an all you can eat chicken family style lunch at Wright’s Farm Restaurant. Our final stop of the

day will be a 45 minute narrated cruise on the Blackstone River aboard the Explorer. Sit back and relax as the boat navigates through waterways steeped in nature and history. A great ending to a perfect day. Please note; the cruise will run rain or shine, please dress accordingly. Space is limited on this trip and early registration is strongly advised.

A great day...close to home.....don’t miss the adventure!
