

E-WASTE COLLECTION

SOUTH KINGSTOWN

Town Hall
180 High Street

Saturday, April 22nd 9:00 to 12:00 noon

FREE Electronic Waste Drop Off Earth Day Event

We collect computers, laptops, routers, PDA's, cell phones, mice, keyboards, printers, scanners, networking equipment, cabling, flat screen / CRT monitors, stereo equipment, telephones, wide screen / tube televisions, microwaves, and other electronic gadgetry regardless of age or condition. Anything with a wire! We accept lead acid batteries (car or marine), and battery backups.

Also accepted: laser-jet printers, mini-refrigerators, air conditioners, dehumidifiers and other coolant containing appliances for a \$10 disposal fee.

We do **not** accept light bulbs, single use batteries, VCR tapes/disks, broken TV tubes or glass.

Indie Cycle, LLC, has a zero landfill policy. We do not remarket any hard drives or data storage devices. All electronic materials are transferred to ORS in East Greenwich, RI, a local R2 certified recycler for processing.

“Every Day is Earth Day With Indie Cycle”
