

E-WASTE COLLECTION AND SHREDDING EVENT

Saturday, July 22nd 9:00 to 12:00 noon

South Kingstown

Town Hall

180 High Street

FREE Electronic Waste Drop Off provided by IndieCycle

IndieCycle collects computers, laptops, routers, PDA's, cell phones, mice, keyboards, printers, scanners, networking equipment, cabling, flat screen / CRT monitors, stereo equipment, cell phones, wide screen/tube televisions, microwaves, and other small household appliances. We accept lead acid batteries (car or marine), and battery backups.

A \$10 disposal fee applies to laser-jet printers, mini-refrigerators, air conditioners, dehumidifiers and other coolant containing appliances.

NO light bulbs, single use batteries, VCR tapes/disks, broken TV tubes or glass.

Indie Cycle, LLC, has a zero landfill policy. We do not remarket any hard drives or data storage devices. All electronic materials are transferred to ORS in East Greenwich, RI, a local R2 certified recycler for processing.

FREE Shredding Event

Affordable Shred will also be available at this event for onsite document shredding. There is no box limit but confidential documents will not be accepted once the truck fills.

For additional information please call Laura Pointek at the Town of South Kingstown's Recycling Program at 789-9331 ext. 2259 or Dori Boardman at the Town of Narragansett's Recycling Program at 782-0635.
