

New South Kingstown Recreation Guide Guide Enhancement/Communication Linkages

- Web Based Interactive Map with the ability to connect with specific areas on the map to learn about history, location, amenities and other details of all recreation locations in the town. This would also include rules, safety recommendations, and links to specific websites such as: URI, Land Trust, YMCA & DEM
- A yearly publication that highlights all indoor and outdoor facilities in the community both town owned and private with details that would be useful as a resource to the community and to visitors.
- Types of facilities addressed through both the interactive map and yearly publication would include:
 - Trails & Fields
 - Parks
 - Farms
 - Biking
 - Swimming
 - Boating
 - Fishing
 - Dog Parks
 - Bird Watching
- Establish town- wide health/ recreation calendar of events such a “Bike Day” to promote the Health benefits of bike riding, safety and rules of the road, along with use of town bike paths for recreation and enjoyment.
