

RECYCLE PAINT AND CFL'S

PAINT

Program Products – Must be in containers 5 gallons or less or limit 5 gallons per visit.

These products have fees when you buy them and are accepted for free at drop-off sites:

- Interior and exterior architectural paints: latex, acrylic, water-based, alkyd, oil-based, enamel
- Deck coatings, floor paints (including elastomeric)
- Primers, sealers, under coaters
- Stains
- Shellacs, lacquers, varnishes, urethanes (single component)
- Waterproofing concrete/masonry/wood sealers and repellents (not tar or bitumen-based)
- Metal coatings, rust preventatives
- Field and lawn paints

NO AEROSOLS (SPRAY PAINT)

Recycle Spray Paint in Your Bin or Cart:

ONLY if **COMPLETELY** empty to prevent combustion and fires. **NO** air or noise should come from the nozzle when it is pressed down.

Leaking, unlabeled and empty containers are not accepted at drop-off sites.
