*Re: Water Service Approval for Proposed 1 BR at AP 48-3 Lot 111, South Kingstown RI*

Dear Amy,

This letter is to inform you that water service is approved as shown on the plan "Survey Site Plan Showing a Proposed New Dwelling Unit..." Dated March 31, 2021 at the above referenced location from the Suez Water Rhode Island (SWRI) system.

Since the line is proposed to connect from the existing house, no new meter is needed to be installed.

Please contact me at the phone number above if you have any questions.

Very truly yours,
