Re: Public Hearing – Green Hill BTS, LLC

To Whom It May Concern:

We are in support of the petition of Green Hill BTS, LLC for an additional one-year extension to 7/1/22 for the Dimensional Variance originally granted on 3/16/16.

As abutting property owners, we understand the complexities of obtaining approvals to build particularly during the pandemic. Delays are a regular occurrence and extenuating circumstances are the norm. Given our recent experience building on a similar lot, we can attest to the significant time and expense required.

Please contact us if we can provide any further support.

Very truly yours,
