re: *South County Hospital*

Dear Mr. Rabbitt:

The undersigned represents South County Hospital, Inc. and South County Health with regard to the Strategic Facility Master Plan submitted to the Town on May 28, 2021

After reviewing this matter with my client, we would like to withdraw the application. We do not propose any changes at this time to the existing Master Plan, which under the terms of the Ordinance will remain in effect.

We are proposing a reconfiguration of the west entrance, which will not increase the size of the existing building, and we would ask that the building official issue a building permit for the west entrance improvements.

We intend to propose a new ordinance to apply to our premises within the next several weeks for consideration by the Town Council. We would also like to remain on the Planning Board Agenda for August 17 for informational purposes so we can update the Board as to what our intentions are moving forward.

Thank you very much for your consideration.

Very truly yours,

John C. Revens Jr.
