

9/15/21

I reside at 969 Kingstown Rd.
Wakefield RI. I am writing
in response to a certified
letter I received for
another addition at the
Elderwood Development located
at 55 Scallop Shell Way.
Unfortunately the lighting
on Scallop Shell Way and
at the development are extremely
overwhelming from my property.
The traffic back and forth to
the facility seems to be
increasing yearly. The road
abuts my property which was
once quite private. I have
concerns about future development
of this facility affecting my
property's value in the future.

Thank you,

Jennifer Eaton
