Dear Mr. Carter,

We own the property at 33 West Street in Wakefield, RI and are direct neighbors to the property requesting the 15.66' variance in order to construct a deck. We fully support the issuance of a dimensional variance for this purpose.

We write this as we are in California and are unable to attend the meeting in person. So if there is a need to submit this letter of support to the Zoning Board, please do so. If you need anything further in support of this request, please let us know. You may reach us at this email or call 925-683-5374.

Regards,

Karla Kelly and Joe Prigmore
