

TOWN OF SOUTH KINGSTOWN

Holden Road Water Disruption Notice

The South Kingstown Water Division's contractor will be completing the water main on Matunuck Beach Road tonight.

Holden Road residents will be without running water beginning at 8:00 pm Tuesday, November 22, 2022.

The repair is expected to take approximately 4-6 hours. When the water service returns, our customers may experience some dirty water and lower than normal pressure.

Customers should let their faucets run until water clears. This may also happen to the residents in the general vicinity.

We apologize for any inconvenience this might cause.

If you have any questions, please call the Town's Public Services Director at (401) 789-9331 ext 2252.
