Dear Chairperson Cagnetta,

I hope you and the members of the Zoning Board of Review are doing well and staying safe. This office represents N & N Associates, Inc.

We have a petition for a Special Use Permit scheduled on your agenda for August 19, 2020.

Unfortunately, one of our expert witnesses is in the midst of a family emergency and cannot attend tonight's meeting via Zoom.

Based on these circumstances, we would respectfully request a continuance of this matter to the regularly scheduled September 16, 2020 meeting of the Zoning Board of Review.

Please contact me with any questions or concerns. And thank you for your time and consideration.

Sincerely,

James M. Callaghan
