RE: Water Approval for AP 57-1 Lot 110 "The Residences On Holley", South Kingstown RI

Dear Josh;

This letter is to confirm that water service is available from the SWRI system for the above referenced property. Based on the plan titled Master Plan Submission "The Residences on Holley" dated 09/29/2020, the twelve service connections depicted to be tapped from the main in Holley St are approved. No water main extension is proposed.

Please contact me at the phone number above if you have any questions.

Very truly yours,
