**Subject:** [EXTERNAL] Maureen Morse petition for Dimensional Variance for Map 90-1, Lot 89

David and Donna Bennett owners of 34 West View Dr. (Map 90-1, Lot 88) have no objection to Maureen placing a Tuff Shed in the area that she has suggested in the Application. The fence that separates our properties along with the tree line in the front will make the shed virtually hidden and I trust that will be the case for years to come.

Dear Zoning Board,

We, at 21 West View Drive, have reviewed the request of Maureen Morse at 28 West View Drive. We are in support of her request for dimensional relief to construct a 10 X 14 shed. This is acceptable to us as our property is directly across from Ms Morse's property.

Please feel free to contact us for any additional input. We can be reached at tony@packagingmore.com or [dianne@packagingmore.com](mailto:dianne@packagingmore.com). Our phone numbers are 401-529-6612 or 401-529-6613, respectively.

Sincerely,

Antonio S. and Dianne C. Fonseca
