Subject: [EXTERNAL] Variance request - 77 Kimberley Dr

In regards to this request please accept this email as our response as to no objection to the variance.

The Votta's have been responsible neighbors, have communicated throughout the renovation, and we (my wife and I) are in full support.

The setback is on the preserve side of the structure and has no impact on the neighborhood.

Please accept this as our only reply as we will not be in attendance for the formal hearing.
