RE: WM-2021-0259 South Kingstown versus Dufault

Dear Mike and Peter:

Per our agreement, I am writing in response to the questions that you have submitted to our client, Mr. Brad Dufault, as it relates to the above matter

- Who at Checkmate received the directory info?  
Mr. Brad Dufault received the directory information.
- What format was it received in?  
Mr. Dufault received the information in an email from Stacey Bodziony.
- Who else was it sent to?  
Mr. Dufault sent the information to his mail house who applied it to the mailer.
- Who still has access to the directory information, to Checkmates or Mr. Dufault's knowledge?  
No one has access to the directory information as it was deleted by Mr. Dufault and the mail house after the mailer was sent.

Based upon these responses and the information that you have already received, I am expecting that the Town of South Kingstown will dismiss the above complaint against our client. Thank you.

Sincerely,
